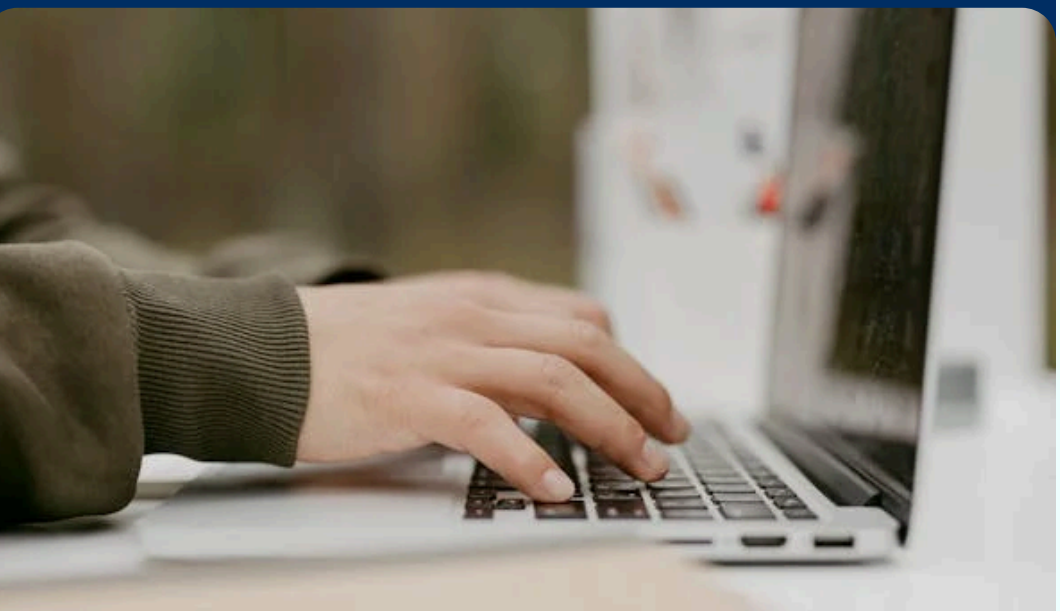
CODE SCOOP

WHERE YOUR CODING JOURNEY BEGINS



Code Scoop is established in 2024 which offers high-quality, accessible education for aspiring coders and tech enthusiasts. Our curriculum is designed by industry experts and tailored to meet the diverse needs of beginners and experienced developers. We provide hands-on projects, personalized mentorship, and a collaborative learning environment. Our focus is on real-world application, ensuring graduates are job-ready and equipped to succeed in roles across software development, web development, data science, and more. We also provide full-paced guaranteed placements to all our students to get placed in their aspiring dream jobs.

COURSES WE OFFER

MySQL

100% PLACEMENT GUARANTEE AT TOP MNCS
